

**your heart  
is the centre of  
everything you are.**

**every second,  
every minute,  
every hour,  
every day**

**it works  
to keep you going  
pumping blood  
and life in your body**

**to let you  
do what you love to do  
do what you care for  
do amazing, incredible things  
do everything...**

**It has not stopped working  
since your conception...**

**its powerful and fragile at the same time...**

**you have loved everything good in life  
with your whole heart**

**now... love your heart**

# Lodge Keys No.297

invites you to attend

## Healthy HEART

an interactive chat to know your heart

with

**Dr. Alla Gopala Krishna Gokhale**

Heart Transplant & Cardiothoracic Surgeon At Global Hospital

Dr Gokhale is a noted name among the medical fraternity in general and cardiothoracic surgeons the world over in particular, has had the distinction of performing India's first heart-kidney combined transplant and Andhra Pradesh's first heart transplant, besides more than 5000 open heart surgeries - adult as well as pediatric. He did a good number of minimally invasive cardiac surgeries including Bypass surgeries, Valve replacements, Mediastinoscopy and Endoscopic vein harvesting.
